

**The Holy Trinity – One God in Three Persons –  
is the God in whom we believe.**

*No human mind can penetrate the depths of this divine mystery of life and love, for we are too limited and conditioned by our earthly situation. And this is why the Holy Trinity revealed Himself to us through the great deeds of salvation history, the prophets, and especially through Jesus Christ. It is through him that we have come to know that God is Father, Son, and Holy Spirit, and that all three love one another and us so deeply and tenderly.*

*This is the mystery we celebrate today – the endless Source of Love and Life from which we come, in which we are constantly immersed, and in which we are called to share for ever in heaven.*

**May the Blessed and Holy Trinity be praised and honored for ever!**

## POURING THE OCEAN DOWN A HOLE

*One day Augustine was meditating on the mystery of the Blessed Trinity, strolling along the beach as he pondered. Lost in thought, he encountered a child who had dug a little hole in the sand. With tiny bucket in hand, the youngster had begun making trips to the sea and back, pouring pails full of water into the hole in the sand.*

*Observing this for a while, Augustine asked the child what he was doing. "I'm putting*

*the ocean in a hole." Condescendingly, Augustine said, "But you can never do that." Whereupon, the youngster responded, "And neither can you ever figure out the Holy Trinity." Legend has it that the boy disappeared, because in fact he was an angel.*

“But when he comes, the Spirit of truth, he will guide you to all truth.” - John 16:13

Jesus sent the Holy Spirit to help us know the truth. So why not ask the Holy Spirit the truth about your stewardship? Are you sharing your time and talent with God and others? Do you give a fair amount of your treasure to do the work of the Lord? Can you hear the Spirit's answer to those questions in your heart now? What more is He calling you to do?
